

HOMING INSTINCT

Homing Instinct It's your experience...

Your journey begins with you getting in a 'car' to be driven back home. On arrival you'll re-discover the different rooms in your house; the kitchen, bathroom and bedroom, by their smells and textures. Then take your seat at the dinner table with your mother to catch up on the news.

To feel the familiar, the old, the safe, the tender. To be free.

"making theatre something you go to do, not just see" METRO

Homing Instinct is an individual experience lasting 25 minutes.
15 places available for each performance.
Pre-booking advised. Suggested for ages 16+.
