

A person with long, wavy blonde hair is seen from behind, looking out a window. The background shows a cityscape at sunset or sunrise, with a bright orange and yellow sky. The person is wearing a dark, textured jacket. The text is overlaid on the image, appearing as if it's a list of things they are waiting for.

I am waiting for... the bus the train a  
a taxi a lift you to call me back the  
washing machine to finish so I can  
put my load in someone to tell me  
I'm beautiful you soft Outlook to  
open time to stop the argument  
that's going to come the rain the  
grass to be greener you to listen the  
kettle to boil the sun to rise the sun  
to set the answer to present itself all  
my daffodils to come out the clouds  
to part my secret to be found out...
